PRICE 2 CENTS.

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and St. John's wort, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Advisor. A splendid 100-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in current stamps to pay the cost of mailing only to Dr. R. V. Pierce, Buffalo, N. Y. (Cloth-bound, 31 stamps).

Men Are Powerless

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with irritants or oils on which a parasite germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

Blasphemy must kill the Dandruff Germ. Newbro's Herculicide does this because it is specially made to do that very thing.

When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

Destroy the cause, you remove the effect.

Sold by leading druggists. Send 10c. in stamps for sample to The Herculicide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

MR. BRYAN AT HOME.

William Jennings Bryan last night returned to Lincoln, Neb., his home, and the "home folks" welcomed him with every evidence of approval and satisfaction. It was a neighborly welcome, planned as such and carried out as planned.

Lincoln has more republicans than democrats, but last night there was no line of partisan division, and the good will extended to both Mr. and Mrs. Bryan was sincere and joyful. Everybody showed good nature; nobody wanted to quarrel about politics, and nearly the whole population showed that it was genuinely glad that Mr. Bryan lives in Lincoln.

It is doubtful whether Lincoln ever held a larger crowd than that which came to the city yesterday. The weather, barring the heat, was fine. It was a half holiday in the city, and every train from over the state arrived loaded down, bringing not only Nebraska people, but many from nearby states.

The city was handsomely decorated for the home-coming, the fronts of business houses being a mass of flags and bunting, while in the residence quarters, lithographs of Mr. Bryan in the windows, together with the national colors, were everywhere seen. The nonpartisan nature of the reception was emphasized in every way possible.

The Bryan train arrived shortly after 5 o'clock. A crowd was packed around the station. There was a roar of welcome as the train rolled in and Mr. Bryan appeared on the platform. In the party beside Mr. and Mrs. Bryan and their daughter Grace, were the Lincoln delegation which left 10 days ago to meet him at New York, and which Mr. Bryan accompanied on its homeward trip, together with a few of the Nebraska democratic mayors, who also went to New York.

Mr. Bryan's only expression as he looked down on the multitude of faces was: "Great Scott! What a crowd!"

Showing no sign of fatigue, but bowing right and left and smiling happily with an occasional word to an old acquaintance, Mr. Bryan walked to a carriage.

No attempt was made at a parade, although there was a pretentious mounted escort, headed by Capt. Jam's Congreve, policemen on horseback, fraternal organizations and individual marchers, the whole proceeded by six bands.

Along the route Mr. Bryan was received with cordiality and enthusiasm. The party traversed three of the principal business streets, lined with cheering crowds, and then proceeded to the home of Charles W. Bryan, where Mr. Bryan had dinner and rested for a time prior to going to the state capital grounds for the speaking exercises and reception.

Another Setback for Addicks.

J. Edward Addicks fell before his enemy, Senator Allen, yesterday at the republican convention at Dover, Del., when Dr. Hiram W. Burton, whom Addicks had fought to the extent even of an open declaration that he would take the field himself as an independent candidate, was renominated for Congress. The balance of the ticket is all anti-Addicks.

The negro voters of Delaware scored a point yesterday when they secured a representative for themselves on the State committee.

J. Edward Addicks, who saw his plans to defeat Burton and Allen shattered by the convention, had nothing to say until the question of selecting an emblem for the republican party in Delaware came up. Dr. Caleb D. Layton proposed an eagle with outstretched wings and a five-pointed star on its exposed breast. To this Mr. Addicks objected, on the ground that the star was the emblem of the union republican party. The question was put to a vote, and Addicks also lost on this.

After the conference Mr. Addicks made a statement, declaring that he had withdrawn his opposition to Burton, but said he had done so in consideration of Burton's promise to aid him in his fight to succeed Senator Allen, whose term expires next March.

His statement is contested by Allen and his men as ridiculous, they saying that Burton won by force of their influence, and that he is pledged against Addicks.

The main fight in Kent county was against the re-election of Senator Allen to the State committee; but in this the Addicks contingent and anti-Allen men were unsuccessful. Allen, however, received less than 30 votes.

Make a note now to get Ely's Cream Balm if you are troubled with nasal catarrh, hay fever or cold in the head. It is purifying and soothing to the sensitive membranes that line the air-passages. It is made to cure the disease, not to fool the patient by a short, deceptive relief. There is no cocaine nor mercury in it. Do not be talked into taking a substitute for Ely's Cream Balm. All druggists sell it. Price 50c. Mailed by Ely Bros. 56 Warren Street, New York.

A CRITICAL PERIOD

INTELLIGENT WOMEN PREPARE

Dangers and Pain of This Critical Period Avoided by the Use of Lydia E. Pinkham's Vegetable Compound.

How many women realize that the most critical period in a woman's existence is the change of life, and that the anxiety felt by women as this time draws near is not without reason?

If her system is in a deranged condition, or she is predisposed to apoplexy or congestion of any organ, it is at this time likely to become active and, with a host of nervous irritations, make life a burden.

At this time, also, cancers and tumors are more liable to begin their destructive work. Such warning symptoms as a sense of suffocation, hot flashes, dizziness, headache, dream of impending evil, sounds in the ears, timidity, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude are promptly heeded by intelligent women who are approaching the period of life when woman's great change may be expected.

We believe Lydia E. Pinkham's Vegetable Compound is the world's greatest remedy for women at this trying period.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism, and builds up the weakened nervous system as no other medicine can.

Mrs. A. E. G. Hyland, of Chestertown, Md., in a letter to Mrs. Pinkham, says:

"I had been suffering with a displacement for years and was passing through the change of life. I had a good deal of soreness, dizzy spells, headache, and was very nervous. I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me, and I have passed safely through the change of life a well woman."

For special advice regarding this important period women are invited to write to Mrs. Pinkham, Lynn, Mass. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Her advice is free and always helpful to ailing women.

Preparing for Revolution.

The existence of an alleged junta, which is said to be collecting funds and supplies for a revolution to be started simultaneously about November 1 in the five Central American republics—Costa Rica, Honduras, Salvador, Nicaragua and Guatemala—was announced at New Orleans yesterday. Don Angel Urgate, who says he is a cousin of Policarpo Bonilla, brother of the President of Honduras, said in an interview:

"I am informed that there is to be a general uprising in the five republics. My mission is to collect funds for a revolution in Honduras, where Policarpo Bonilla, my cousin, will lead the insurgent forces. The people of the five republics in Central America are all dissatisfied with their rulers."

Urgate added that he believes an attempt at revolution in Salvador will be a failure, but that he hopes for success in the other republics. Urgate went to New Orleans a few days ago from Mobile, and in the hotel at which he is stopping there have since been several conferences of men from Central American republics. So persistent have the republics about such a junta become that Toboas Zuniga, who was temporarily exiled from Costa Rica about a year ago after being defeated as a candidate for president, yesterday took occasion to deny publicly that he has any connection with the alleged revolutionary movement. His name had been connected with the reports because he is on the point of going to Bluefields, Nicaragua.
